**ANNOUNCEMENT
watching
CANCELLATION**

the procurement contract award procedure, having as its object

***Container loading/unloading/handling equipment - one container handling bridge-
electric and one container handling equipment - diesel with electric generator***

***within the project
„Increasing handling capacity -Container Terminal”,
project code 327968***

We hereby inform you that, considering the fact that, in the Award Procedure, only one offer was submitted, and the offer does not meet the minimum requirements requested by the Award Documentation, the supply contract having as its object ***Supplying Container loading/unloading/handling equipment - one container handling bridge-electric and one container handling equipment - diesel with electric generator***, within the project ***„Increasing handling capacity -Container Terminal”, project code 327968***, cannot be assigned and the Award procedure is cancelled.

Respectfully,
Dorinel CAZACU,
General Director,
SOCEP S.A.
